

ASPHO encourages membership among trainees throughout the course of their fellowship, providing career development, advanced knowledge, and professional network resources for pediatric hematology/oncology subspecialists. By completing this form, program directors can sign up their institution's trainees for ASPHO membership to support their professional development. Trainee memberships are available for \$50, or \$100 with 100 self-assessment questions as part of the membership package.

Trainee members must be enrolled and in good standing in an accredited fellowship program with enrollment verified by a supervisor. Trainee members may serve on Society committees and participate in special interest groups. Trainees receive full member benefits including a personal subscription to ASPHO's official journal, *Pediatric Blood & Cancer*.

To be completed by program director
