

## ASPHO Virtual Career Fair 2025

The American Society of Pediatric Hematology/Oncology (ASPHO) is excited to host a Virtual Career Fair in 2025 on its recruitment platform. This event will take place on October 8, 2025 from 10 am-2 pm Central. Attract high-quality candidates to your virtual event "booth" and highlight the positions that you are currently looking to fill.

All career fair exhibitors will be able to review registered individuals in advance and invite qualified candidates to speak with them at their virtual booth. During the event, employers and candidates will connect through meaningful booth engagement and networking, including text and video chats.

Featured Employers will also have the opportunity to pre-schedule one-on-one conversations with selected candidates, allowing for more targeted and effective engagement during the fair.
