2023 ASPHO CONFERENCE

Meet today’s—and tomorrow’s—innovators and experts leading pediatric hematology/oncology care.

MAY 10-13 ★ FORT WORTH, TX
Fort Worth Convention Center

EXHIBITOR PROSPECTUS
Increase Your Visibility—and Impact—in the Pediatric Hematology/Oncology Field at #ASPHO2023

Come to the 2023 ASPHO Conference to meet the experts who advance the pediatric hematology/oncology field. Connect with more than 1,100 physicians dedicated to improving treatment for children, adolescents, and young adults with cancer, bleeding and clotting disorders, sickle cell disease, and other hematologic/oncologic conditions.

Be a part of the field’s most influential conference that brings together key clinicians, investigators, administrators, and allied healthcare partners for critical education and networking. This flagship meeting is hosted by the American Society of Pediatric Hematology/Oncology (ASPHO), the only organization dedicated to the interests of pediatric hematology/oncology specialist physicians. Physicians, scientists, program administrators, and fellows-in-training from across the field and around the globe come to learn vital education from experts, explore the latest research, and connect with a vibrant peer community at the ASPHO Conference.

A member survey ranks ASPHO as the #1 source for pediatric hematology/oncology education. Members attend the conference to learn about the diagnosis and treatment of patients as well as research advancements. The ASPHO Conference delivers an invaluable experience to attendees, with 88% of recent conference evaluation respondents reporting they were able to directly apply conference education to their professional practice and job function.

Gain Connections and Collaboration Opportunities at the 2023 ASPHO Conference

- Showcase your company and spark innovative collaborations.
- Build and reinforce relationships with today’s—and tomorrow’s—leaders and innovators in pediatric hematology/oncology.
- Gain unmatched access to specialists dedicated to advancing the knowledge, understanding, and management of blood disorders and cancer in children.

“ASPHO has become the meeting nationally and internationally for pediatric hematologists/oncologists. As the only conference focusing entirely on these pediatric populations, it brings together physicians to share knowledge and learn from recognized experts. It also provides an exceptional setting to meet one on one with our industry partners. There is no other setting in which we have this amazing opportunity.”

ZoAnn Dreyer, MD, Chair, Development Committee
THOUGHT LEADERSHIP THROUGH EDUCATION

Participating in an advertising or sponsorship opportunity is an excellent way to drive traffic to your booth and position your company as an industry leader. Visit aspho.org/comsupport for more information about enhanced exposure opportunities.

Education Theater
Showcase your company’s products, services, or programs by conducting a seminar or product demonstration. Education Theater sessions are 30 minutes long and held in the Exhibit Hall. These sessions do not take place at the same time as continuing education (CE) programming but may run concurrent with other activities during Exhibit Hall hours.

CE and Non-CE Symposia
Educational content sponsors can develop a 60- to 90-minute presentation in accordance with symposia guidelines. These programs offer companies an opportunity to share their knowledge and expertise with the ASPHO member community. These do not compete with conference CE programming and may be branded or nonbranded.

Industry Relations Council
Join the ASPHO Industry Relations Council (IRC) for benefits that greatly enhance your organization’s opportunity to personally engage with decision makers in pediatric hematology/oncology. This is a prime opportunity to reach more than 1,900 ASPHO members year-round and build relationships, establish dialogue, and develop collaboration opportunities. View current participants and learn more at aspho.org/IRC.

SPONSORSHIP AND ADVERTISING
Gain visibility with ASPHO members and conference attendees by placing your message or brand in front of important decision makers. Conference and year-round opportunities are available.

Sponsorship Opportunities
• Mobile app title sponsor
• Lanyards
• Branded signage and graphics

Advertising Opportunities
• Mobile app advertisement
• Exclusive pocket guide advertisement
• Webpage advertisements

For advertising and sponsorship opportunities, visit aspho.org/comsupport.

ASPHO—the member-ranked #1 source for pediatric hematology/oncology education.

We look forward to providing Society partners the opportunity to connect with the pediatric hematology/oncology community.
EXHIBIT FEES
Exhibit at the 2023 ASPHO Conference and gain access to physicians who directly influence the purchase of your products and use of your services. The Exhibit Hall will be conveniently located near the session rooms, providing greater opportunity to showcase your company.
