

## ASPHO Virtual Career Fair 2026

The American Society of Pediatric Hematology/Oncology (ASPHO) is excited to host two Virtual Career Fairs in 2026 on its recruitment platform. These events will take place on August 12 and November 11, 2026, from 10 AM to 2 PM Central. Attract high-quality candidates to your virtual event "booth" and highlight the positions that you are currently looking to fill.

All career fair exhibitors will be able to review registered individuals in advance and invite qualified candidates to chat with their virtual booth. During the event, employers and candidates will connect through meaningful booth engagement and networking, including text and video chats.

Featured Employers will also have the opportunity to pre-schedule one-on-one conversations with selected candidates, allowing for more targeted and effective engagement during the fair.
